Artcraft Label Inc. is proud to announce that it was presented with a Silver Award for "Le Boating Club" by Tawse winery at the 11th Annual Canadian Printing Awards. The ceremony was held on November 10th, 2016 in Toronto at the Palais Royale on Toronto's waterfront. This is very exciting for us as it is our fourth consecutive year winning in the competition.

The Canadian Printing Awards program, developed by PrintAction magazine and Annex Business Media, is a celebration of world-class printing, environmental leadership and Industry Achievement in Canada. Winning entries from 28 categories are determined by a panel of independent judges. Artcraft Label Inc. took home two awards in the Labels, (Flexography or Gravure) category.

"We're extremely proud of our team for the excellent work that has led to this recognition. It's through their continued dedication to their craft and attention to customer's expectations that we are able to achieve such outstanding results." says Alain Paquette President of Artcraft Label Inc.

"We also wish to thank the designers and management team at Le Boating Club and Tawse winery who have demonstrated the trust in the people at Artcraft Label to produce their brand packaging. We're fortunate to partner with them, because it's through these partnerships that we have the opportunity to push ourselves to achieve excellence."
